## DECOTO CHAMBER 'PANS' OUTDATED COUNTY PAMPHLET

The Decoto Chamber of Com nerce is sending a pamphlet to the Alameda County Board of Superregular monthly meeting Tuesday evening.

Joseph Calderia got the pamph week and noticed that the booklet s about 10 years behind times.

It was prepared by N. W. Arm strong, executive secretary of the Alameda County Development Commission. The Decoto Chamber is suggesting that Mr. Arm strong "get more up-to-date information in the future."

The Chamber, under the gavel streets. Mennet, a Hayward building contractor, is at present building eight homes on Ninth and has an option on 32 other lots or he other two streets.

Supervisor Chester E. Stanley nformed Mennet that he must first epair the streets in accordance with county specifications before they could be considered.

Eugene Paly, a Hayward watch and clock repair man, was grant ed permission to bring a mobile repair unit to Decoto once a week.

Supervisor Stanley and Kenneth Roberts, assistant county surveyor informed the Chamber that October the repair crew would be in Decoto to do the street work requested a year ago. Streets to repaired are Twelfth, Thir-

# CANNERIES END

Two of the three canneries of Washington Township have completed their peach canning season and the third is expected to finish this week-end.

The Schukl Cannery at Niles ended a four-weeks run of peach canning last Saturday, completing what they termed a "normal" season. A small crew of workers is now employed coloring maraschino cherries.

The Marlo Packing Co. at Decoto wound up the peach pack on Friday and since that time a small shift of workers has been employed canning various varieties of beans. The plant is expected to shift into the annual tomato packing season some time next week.

The F. E. Booth cannery in Centerville is expected to finish up the peach pack today or tomorrow. One crew is now at work on the tomato pack, according to plant

## OPEN EMERGENCY FUND CAMPAIGN TO FIGHT POLIO

Alameda County polio victims Caffrey, executive manager of California Alumni Association. emergency fund drive 000,000 mittee.

"For the first time in history it has become necessary to declare a California national polio crisis. There is no time for slow-motion fund raising. Contributions can be sent directly to 'Polio,' care of the postmaster of any U. S. post office," Hassler declared in a strong appeal for the Local alumni planning to attend year were for assistance to chilsupport of all Alameda County residents

#### FUNDS DEPLETED

Stressing that the emergency i local as well as national, Hassler announced that the county polio organization has only enough money left from the last March of Dimes campaign to continue the care of patients here for a few weeks and must then depend upon funds to be requested from the National Foundation's epidemic depleted treasury, which the emergency drive must replenish.

There were 27 polio cases in Alameda County hospitals on September 1, but the actual case load on local foundation funds is more than 500, including many patients from previous years who still require treatment.

MAIL CONTRIBUTIONS

Emphasizing the unprecedented nature of the emergency and the urgent need for immediate action, committee asked Alameda County residents to send their contributions at once to 'Polio," care of their local postmaster.

According to figures released this week, 100 cases of polio have received treatment in this county from January 1 through August 31, as compared with 57 for the corresponding period in 1948.

#### **GROWTH OF POLIO CARE TEAM**

Medical care for polio patients is costing the National Foundation for Infantile Paralysis more money than ever before—because better treatment is available today than formerly, as the accompanying chart reveals. Until 1938 when the National Foundation was formed, a physician and a nurse usually comprised the best available care. Today, modern polio treatment may include 13 specialized services, provided by an entire TEAM of professional workers. This expanded care has cost National Foundation Chapters millions in March of Dimes funds. More money is needed immediately to continue these services. Support the POLIO EPIDEMIC EMERGENCY DRIVE to help care for today's polio patients. Send your contribution now to POLIO, care of your local Post Office.

# Will You help Us Find This Man!

We are looking for a man living somewhere in Washington Township.

He is a prosperous farmer, has a good home, a nice family, and most of the socalled luxuries of living.

He is of average intelligence. However, there is one thing peculiar about this man, and you will recognize him by this one characteristic alone. He is NOT a subscriber to The Township Register!

Yes, it's unbelievable but true! Nobody, so far, has been able to find this man to tell him that a person of his comparative prosperity and standing in the community should not neglect knowing about community affairs. He should read his home-town newspaper. He doesn't realize it, but he is only half living!

WHERE IS THIS MAN?

We would like to find him so that we can make a happier man of him by telling him about
